01. Event Overview

Event:

World Physique Games

Dates:

12–14 June 2026

Location:

Prime Plaza Convention Centre & Hotel
Sanur, Bali, Indonesia

The **World Physique Games** is one of ICN's 2 pinnacle events held yearly.

Athletes from across the world travel to compete in one of the most unique bodybuilding destinations in the world — combining elite competition with the beauty and lifestyle of Bali.

Bali has become a global favourite for ICN international competitions thanks to its:

- Beautiful beaches
- Tropical climate
- Affordable travel
- Friendly culture
- Easy visa entry
- High-quality resorts and facilities

The World Physique Games is the perfect opportunity to **finish the competition season in paradise.**

Compete and Escape.

02. Bali, Indonesia

Bali is one of the world's most popular travel destinations, known for its tropical scenery, beaches, temples and relaxed lifestyle.

Sanur offers a more relaxed coastal environment compared to other parts of Bali, making it an ideal location for international athletes to stay focused while still enjoying the island experience.

Visitors can enjoy:

- Beaches within walking distance
- Local restaurants and cafes
- Affordable massages and recovery treatments
- Gyms and fitness facilities
- Cultural landmarks and temples

03. Venue

Prime Plaza Convention Centre & Hotel

Sanur, Bali

Address:

Jalan Bypass Ngurah Rai No.59

Denpasar, Bali 80227

Indonesia

The venue is located approximately **30 minutes from Ngurah Rai International Airport.**

Prime Plaza offers excellent facilities for both athletes and spectators including:

- Professional convention centre
- On-site hotel accommodation
- Gym and fitness centre
- Spa and massage services
- Protein shake stand
- Close proximity to Sanur Beach

The venue allows competitors to stay, train, compete, and recover all in one location.
